

## A D V E R T I S E M E N T.

By Virtue of his MAJESTY'S ROYAL PATENT, granted to JAMES JACKSON and Co. Chymists, for their Invention of a Medicine called OLEUM ANODINUM, or BRITISH BALSAM of HEALTH, witnessed by the Lord Archbishop of Canterbury, and other Lords, Guardians of this Kingdom, at Westminster.

P R O B O N O P U B L I C O.

*Jackson's Oleum Anodinum, or, British Balsam of Health,*

**I**S the one and only unrivalled, most efficacious Remedy ever yet discovered against the Gout, Nodes, Tumours, rheumatic and sciatic Pains; all Sorts of Fistulas, old Sores, Ulcers, the Evil, Leprosy, Bruises, Sprains, Itch, all cutaneous Disorders, Cuts, Green Wounds by the first Intention; Palsy, Rickets, Dropsy, Pleurisy, Piles, Stone, Gravel, Sterility, Impotency, not by Stimulation, but by strengthening the Parts, and encreasing the Semen; Cholic, Consumption, all Complaints of the Lungs, and all Sorts of Coughs; it takes away all Pimples and disagreeable Carbuncles, and restores the Skin smooth, and a lively Complexion. It takes out the Fire of Burns and Scalds, heals them at once Dressing; strengthens a weak Back, is an effectual Remedy for Convulsions, hypocondriac Melancholy, and the hysteric Disease; recovers a lost Appetite, and purifies the whole Mass of Blood, and renders the Flesh of a solid and firm Texture, and cures the Jaundice. Therefore, if Persons of all Qualities and Stations were but certified of the inestimable Virtues of JACKSON'S OLEUM ANODINUM, or BRITISH BALSAM OF HEALTH, no Family would at any Rate be unprovided with this precious Remedy.

This Balsam may be taken at all Times by both Sexes, Women with Child may take it with the utmost Safety, and require no particular Regimen or Confinement, as has been experienced in many Thousand Cases, to be an incomparable ANODINE ANTIARTHRITIC, CARMINATIVE, ANTIPARALYTIC, ANTIANALEPTIC, ANASTOMATIC, ANTINEPHRITIC, ANTISCORBUTIC, &c. On some Disorders it operates insensibly, on others as CATARTIC, DIURETIC and SUDORIFIC.

It was the Opinion of the ancient Physicians, viz. SONNERTUS, PLATERUS, BARTHOLINUS, VESLINGUS, GALIN, &c. one Medicine might cure a Number of Disorders, and we experience those celebrated Doctors Opinions to be Truth. Within Twelve Months more than Four Thousand of his Majesty's loving Subjects have received Benefit by this Balsam. Providence has been very kind to this Island, to procure a simple from which, by Art this Balsam is extracted, to be an infallible Cure for many Disorders it's Inhabitants are afflicted with; it is in triangular Bottles and sealed with his Majesty's Coat of Arms, and sold at Mr. Clarke's, in Grace Church Street, nearly opposite the End of Lombard Street, Wholesale and Retail, with good Allowance to Merchants, Captains of Ships and Country Shopkeepers; it is likewise sold at Mr. Selden's, in Hay's Court, near Newport Market, St. Ann's, London, at 2s. 6d. per Bottle, and by most of the Country News Printers in England, and other Shop-keepers, viz. Mr. Abree, at Canterbury; Mr. Barrow, at Worcester; Mr. Sealy, at Salisbury; Messrs. Fletcher and Hodgson, at Cambridge; Mr. Wood, at Lincoln; Mr. Sheardown, at Louth; Mr. Black, at Gainsborough; Mr. Holt, at Grantham; Mr. Preston, at Boston, in Lincolnshire, and many others, and may be had of the News Carriers. Likewise TURLINGTON'S BALSAM OF LIFE, DUFFY'S ELIXIR, and BRITISH OIL, Wholesale and Retail.

Letters and Orders received at Mr. Clarke's, in Grace Church Street, London, duly attended to.
